

Pluckers/101X Rock Band Contest Information

Do you have what it takes to be a rock star? Well, on Friday, February 15th at 9pm, Pluckers and 101X will give you that chance. We are turning our restaurant at 183 and Burnet into your private stage to unleash your inner rockdom and give you your shot at feeling what it is like to be part of a real band. So read below for how to enter and contest details.

Contest Information

- We are searching for a maximum of 20 teams to participate in the contest. Because the registration is so limited, we will be extremely selective about who earns the right to perform in front of our adoring fans.
- To register you and your bandmates will need to post a 3-7 minute video on You Tube showing why you think you deserve to be in the contest. In the video, we want to see you playing your favorite Rock Band song, rocking your heart out and showing us what we can expect from you on stage. Use props, costumes, Eddie Van Halen arials, Pete Townsend windmills or whatever you think makes for an entertaining show. After your video has been posted on You Tube, send the link to kwoollman@pluckers.net for us to review along with the following additional information:
 1. Your name and your bandmates' names
 2. Your cell phone number and your bandmates' cell numbers
 3. Your email and your bandmates' emails
 4. Pitch us on why we should allow you into our contest.
- All You Tube registrations are due by noon on Wednesday, February 13th and we will determine the 20 most deserving submissions and contact the winners on that same Wednesday. Please do not submit a video unless your band will be available to participate on Friday, February 15th at Pluckers between 9pm and midnight..
- Teams can be between two and four people, but you must have a lead singer among the group. You can choose the other instruments you would like to play if you have less than 4 band members.
- You can choose any song from Rock Band to perform for your video submission, but we will only select one team for each song on the game. Try and be creative in your song selection!

- Scoring System – Your score at the contest will be based on 3 factors.
 - 40% of your score will be based on your Rock Band performance based on your percentage of notes hit. All team members must play on Hard or Expert. However, there will be an extra multiplier for playing on Expert.
 - You will receive a 1.2x multiplier for playing Expert
 - Example: If a team averages 80% of the notes on Expert their score will be 80% x 1.2 or 96% as compared to a team on Hard. This will greatly benefit better players.
 - 30% of your score will be based on your costumes. Don't dare show up to this contest dressed in street clothes! We want to see your interpretation of the band you are choosing for your Rock Band song.
 - 30% of your score will be based on your band performance. This has nothing to do with the game score and everything to do with your jumping scissor kicks, choreography with your teammate, Gene Simmons tongue extension and 12-inch statues of Stonehenge.
- Entourages are not part of the scoring system, but obviously the more fans you have screaming for you, the more the judges will be impressed.
- We will have three celebrity judges who will score and provide commentary on your performance.

The Prizes
